Prime Sites Inc., best known for its Trademark, "Connecting great brands with great locations®" is proud to join Resorts World Miami and Crystal Cruise in the excitement of Crystal Cruise Showcase at 1401 Biscayne Boulevard, also known as the historic building, The Boulevard Shops. One might think of the Crystal Showcase as the Apple Store of the Cruise Industry.

Monette Klein O'Grady of Prime Sites Inc., shared these thoughts.

" The Arts, Cultural and Entertainment District of Miami is on the verge of so many exciting changes. Providing for the first of its kind, The Crystal Showcase is one of the most significant brands in a Miami Historical Landmark and sets the tone for things to come. Miami is very fortunate to have the vision of Crystal Cruises to transcend the Boulevard Shop to its historic and grand state.

**Truly a Miami, Then and Now!"**
